Terms and Conditions

1. This warranty is void if:
 - a. The completely filled warranty card is not presented at the time of servicing the product.
 - b. The product is not operated according to the instructions given under the user manual.
 - c. Damages are caused by lightning, abnormal voltage, water or other liquid intrusion, fire, flood, accident, negligence or improper handling.
 - d. Product has been damaged due to installation, repairs, alterations or modifications by unauthorized service organizations or persons.
 - e. Product label specifying the model number, serial number and production code has been removed and altered.
 - f. Defects or parts requiring replacement due to ordinary wear and tear, corrosion, rust or stains, scratches, dents on the casing or paintwork of the product.
 - g. Claims damaged and/or missing parts (accessories) after 7 days from the original date of goods received.
 - h. Defects or faults in product which have been used for commercial/industrial purposes or which have been rented/leased or have been otherwise subject to non-household/non-domestic use.
2. Repairs or replacements will be carried out by authorized service provider.
3. During the limited warranty period, Lifelong or its authorized service provider will repair without charge the defective unit inclusive of labor and parts and restore the unit to its optimum working condition. All defective parts used for the warranty repair should be surrendered to Lifelong and/or its authorised servicer.
4. All expenses incurred in collecting the unit (s) or part(s) thereof from authorised service provider as well as any other expenses and incidentals will be borne by the consumer.
5. Lifelong obligations are limited to the repair and replacement of the defective product. Except as set forth above, there are no other express or implied warranty and all warranted, conditions or other terms implied by statute or common law (including any warranty of satisfactory quality, merchantability or fitness for a particular purpose) are excluded to the fullest extent permitted by the law.
6. Lifelong total liability for damages relating to or arising out of the purchase or use of the product regardless of the type or cause of such damage of the form of characterization of the claim asserted (e.g. contract or tort) shall not exceed the original purchase price paid for the product.
7. However in no event shall Lifelong and Lifelong authorized distributors be liable for any punitive, special incidental, indirect or consequential losses or damages whatsoever (including without limitation, damages for the loss of revenue, business, profits, goodwill, or contracts, business interruptions, loss of business information or any other pecuniary loss.) Whether or not Lifelong has been advised of the possibility of such damages. These limitations shall apply notwithstanding the failure of the essential purpose of any limited warranty. This limited warranty does not affect consumer's statutory rights under the law.
8. No carrier, dealer or employee is thereof authorized to make modifications to this warranty and you should not rely on any such representation. Lifelong reserves the right to amend the terms and conditions if necessary.

Safety Precautions

1. Product Assembly & Maintenance

For your safety, do not attempt to service or disassemble the unit.

Maintenance and repairs are to be performed by a qualified professional only.

2. Power Adapter & Power Cable

- a) Please check whether voltage ratings on the device and outlet are compatible before use.
- b) Do not pull on the power cable to unplug. Always grip the plug instead.
- c) Do not place any objects on top of power cable.

Health Precautions

Please consult a doctor before use if you:

1. Are currently under the care of a physician for an illness or other condition
2. Have cancer
3. Are pregnant
4. Are suffering from an acute condition not specified above.

Basic Operation

1. Plug into car cigarette lighter port or wall outlet.
2. Turn dial to desired setting.

Caution: Do not use for longer than 15 minutes at a time.

3. When finished using, switch the unit off by turning dial to middle position, then unplug.

Trouble Shooting

Problem	Possible Cause	Solution
Light thumping / mechanical noise, sound of internal components rubbing on fabric cover	Product is operating normally – sound is caused by friction between massage ball and fabric cover	No action necessary.
	Product has become too hot to continue operating.	Turn off product for at least 30 minutes before resuming use
Product will not operate	Product is not plugged in properly.	Check to ensure that the plug is seated firmly in the wall outlet or cigarette lighter.
	Unit is turned off.	If the dial is in the center position, the unit has been powered off. Turn to the left or right to turn on.
